

M 

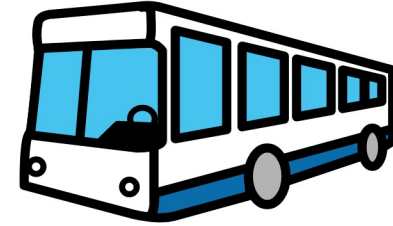

Fr 

In weeks 8 and 9 we will go to Greenmount Beach for water and beach safety. We will go on Mondays and Fridays.

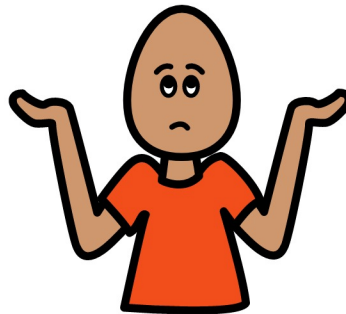

We will change into our swimmers and rash shirt at recess so we are ready to go.

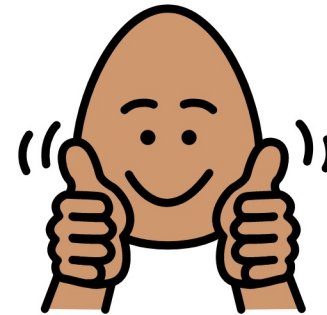

We will catch the bus to the beach. I will take my school hat and a towel. We can wear our thongs.

At the beach I always do what the instructor says. It takes great strength to be sensible.

If I am not sure what to do I can ask a teacher for help. They will always be with me.

We will arrive back at school in time for lunch. Water and beach safety will be fun.
