

Make a big  
loop, just like  
so. This is  
the way to  
make zero.

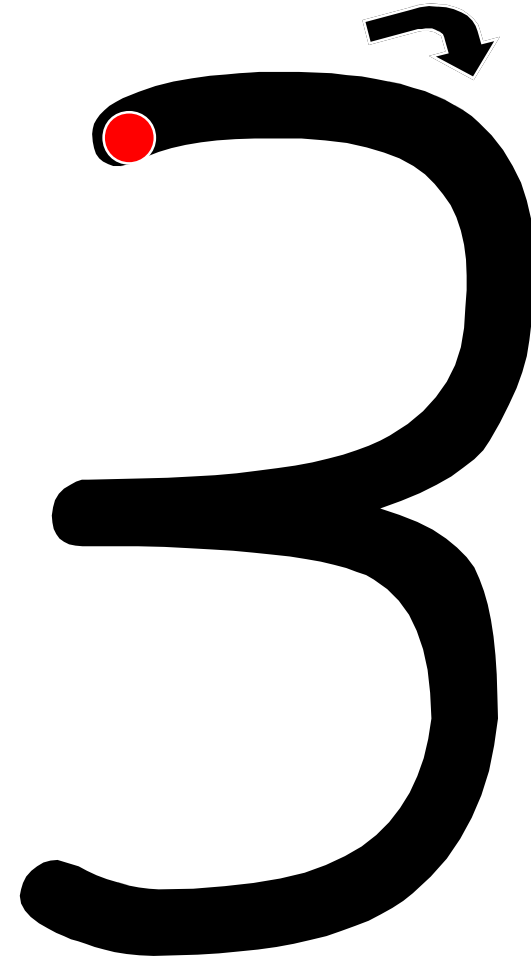

A straight  
line one it  
is fun.

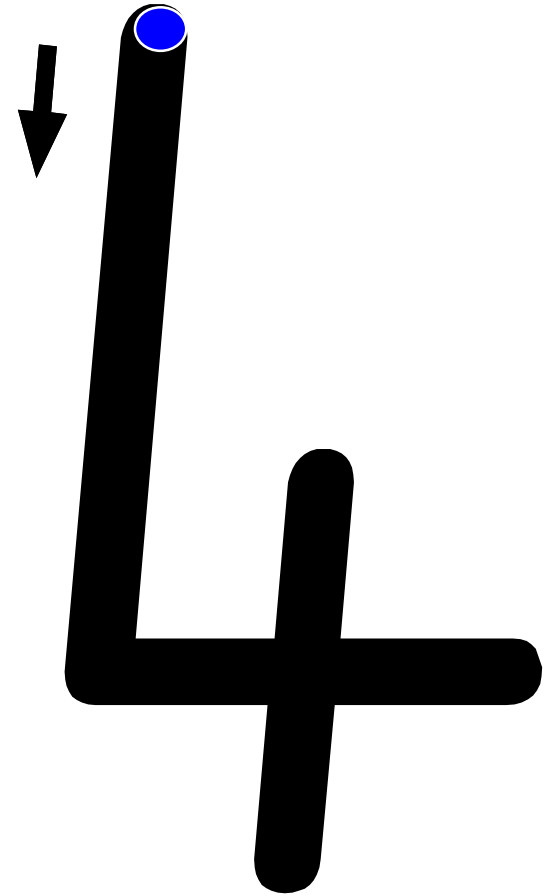

Around and  
back on the  
railway track  
makes two,  
two,  
two, two.

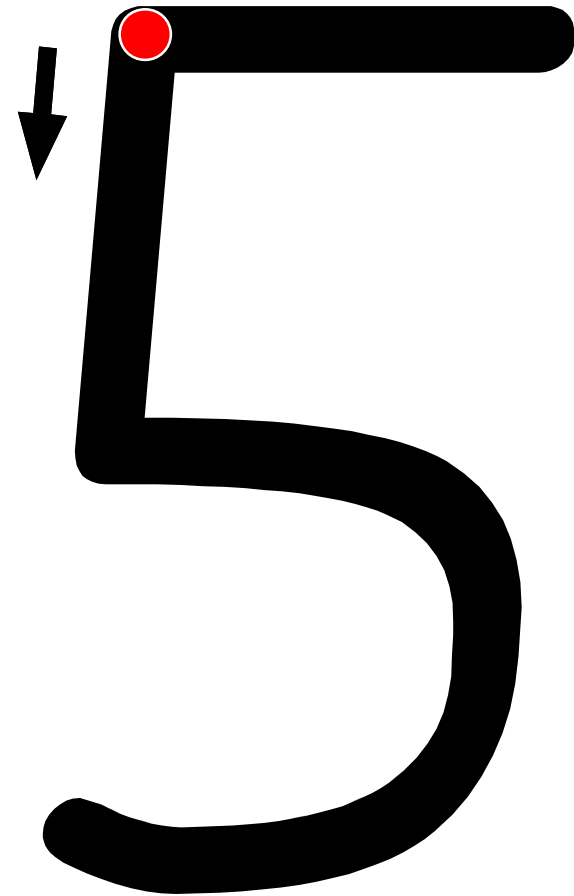

Around the tree  
and around the  
tree. This is  
the way you  
make a three.

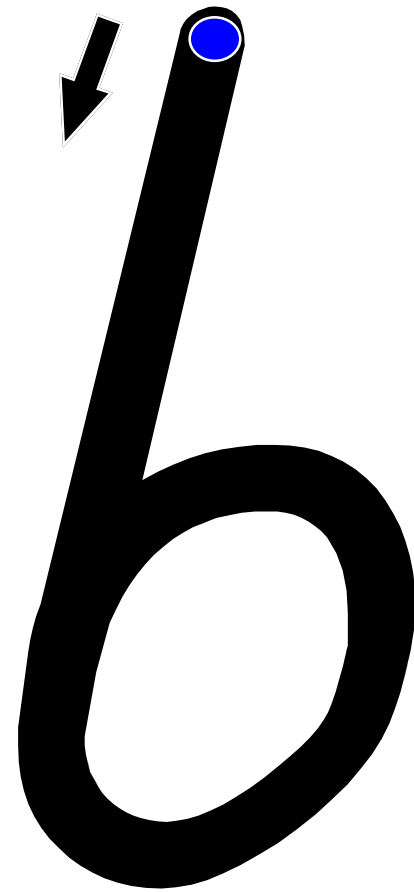

Down and across  
and down some  
more. This is  
the way you  
make a four.

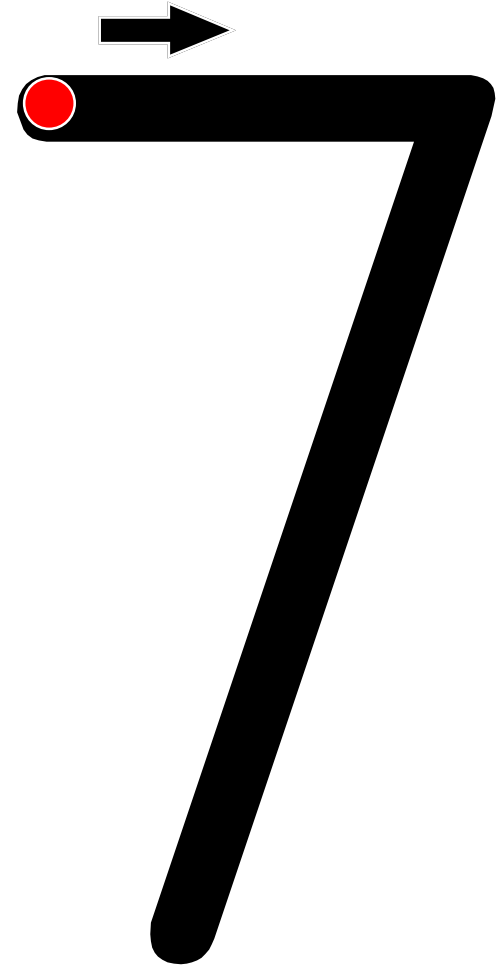

With a straight  
neck and a round  
tummy, put his  
hat on, five  
sure looks funny.

Down to a  
loop, the  
six rolls a  
hoop.

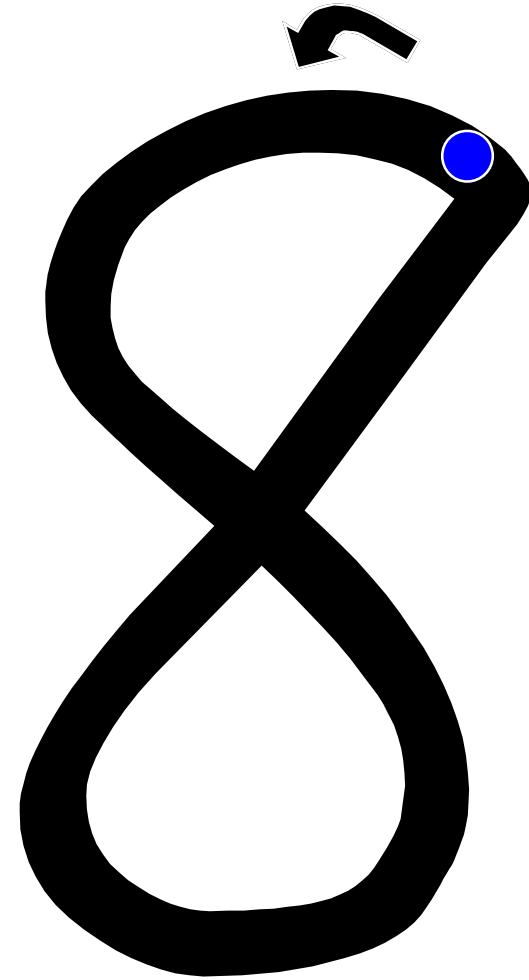

Across the sky  
and down from  
heaven. This  
is the way you  
make a seven.

Make an S and  
do not wait.  
Climb back up  
to make an  
eight.

A loop and  
a line  
makes a  
nine.
